*Effective: May 2026 | Spinnato & Associates Real Estate*

This website, operated by Spinnato & Associates Real Estate, displays property listing information through an Internet Data Exchange (“IDX”) feed, also known as Broker Reciprocity, in cooperation with Midwest Real Estate Data, LLC (“MRED”) and other participating multiple listing services. The following disclaimers apply to all listing data shown on this site.

### Source of Information

Listing information displayed on this website is provided by MRED and other participating MLS organizations, and is updated periodically throughout the day. The data is provided exclusively for consumers’ personal, non-commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing.

### Accuracy and Verification

**All information provided is deemed reliable but is not guaranteed and should be independently verified. Properties listed may or may not be listed by the office or agent presenting this information. All measurements, square footage, lot dimensions, room counts, school district assignments, and property tax amounts are approximate and have not been verified by the broker or the MLS. Buyers should independently verify all information that is important to their purchasing decision.**

### Listing Status and Availability

Properties displayed on this website may have status changes that are not yet reflected here. A property listed as “active” may have an accepted offer, be under contract, or have been sold by the time you view it. Always confirm the current status of a property before making travel plans, financial decisions, or offers.

### Excluded Listings

Some listings have been excluded from this website. Sellers may elect to limit or prohibit the display of their listings on public consumer websites, in which case those listings will not appear here. Listings may also be excluded based on objective criteria such as price range, property type, or geographic location. To view the complete inventory of available properties in your search area, please contact us directly.

### Photographs and Media

Photographs, virtual tours, floor plans, and other media displayed with listings are provided by the listing broker or seller and may not represent the current condition of the property. Some media may be staged, virtually staged, or

digitally enhanced. Buyers are encouraged to visit properties in person to verify condition.
